## Rough Trade

is the genesis of the forbidden hard on. Historically, it signifies the seduction of straight men, now incorporating dangerous men and edgier acts. Lust momentarily overrides guilt, propriety, and fear. Was he really was straight and the wedding ring real, or is he was as dangerous as he looks?

Questions such as these shatter the illusion, like exchanging names or a kiss. In your mind he was trouble. And that is what you look for.

Quickly, the illusion vanishes. What on another day is making babies in some suburban bedroom is sticking to the floor of Booth #7 of the 25¢ arcade on Highway 8.
