## PAIN

**as an idea, scares many men. Yet in the heat of passion a slap on the ass or a ruthless thrust may be just the thing to send them over the edge.**

**One's reaction to pain is often considered the measure of a man. In childhood, a baby becomes a big boy when he can get hurt and not cry.**

**Will you do anything to avoid pain or do you “take it on the chin”? Do you fear pain? Do you laugh in the face of pain? Or does the very idea make you stiff as a jack staff?**
