Motorcycles

of course, go far beyond transportation. Not since the horse has a conveyance earned so much of a man's identity and his heart. It is, in fact, the image of the modern mount, the trusty steel steed.

The deep-throated roar, the tremble of raw power between your legs. Unconcerned and lashed by wind and soaked by rain, tortured by the sun. The smell of sweat, grease, road dirt and exhaust. The heat of the tailpipe the rhythm of the road. Freedom and danger. Power, speed and rebellion. It is sex incarnate.

Riding in enclosed bubbles of glass and steel, behind the engine instead of on top of it, lesser souls look with envy on knights of the road flying along on two wheels instead of four. From their minivans they try to imagine what a life lived that freely could be like.
