PHOTOGRAPHY BY JACK FRITSCHER/PALM DRIVE VIDEO

Chris here first appeared on the cover of *BEAR* 45, with his buddy Greg. The two then steamed up some windows with their appearance in *Powerhouse Bears*, before Chris got hot & heavy with Jack Radcliffe in *BEAR: Palm Springs Vacation*. Since then, Chris has hooked up with Palm Drive pioneer Jack Fritscher, who shot these pics for us. They're from the *Palm Drive Video Party Animal Raw*, \$69, available from Brush Creek Media.

Chris is, to the best of my knowledge, the most muscular guy we've ever featured in *BEAR*. Solid as a rock, proportionately massive, he's a veritable mountain of a man, and he's gotten even bigger, if ya can believe it, since these pictures were taken.

He's got that great combination of muscle, fur, attitude, and gruffness about him that makes the whole package real palatable. And, for us at least, that's what this musclebear business is all about.
